Neither party's delay or failure to perform any provision of this License, as result of circumstances beyond its control (including, without limitation, war; strikes; floods; governmental restrictions; power, telecommunications, or Internet failures; or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of this License.

11.7. The invalidity or unenforceability of any provision of this License shall not affect the continuation or enforceability of the remainder of this License.

11.8. Either party's waiver or failure to require performance by the other of any provision of this License will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.
